

# MTT Brazil update and prayer requests (June 17, 2016)

Dear Family, Friends & Supporters:

## ***BRAZIL UPDATE:***

Thanks so much to all who prayed for us & supported us while we were in Brazil. It was a very productive trip, full of ministry. We are thankful for our Missionary, John Larrabee, who lined up numerous school programs for the team, and many church services and special meetings. We encouraged the team to be a testimony everywhere we went. God was good to use us in spite of our weaknesses. Of course, the team had to get used to sleeping in hammocks and living in situations they weren't used to, but they did a wonderful job.

We even got to go on door to door visitation in one of the towns on the river. Of course you don't knock on the door there; you clap in front of the house until someone comes out. Our team members paired up with some of the Brazilian young people and were able to give their testimonies in Portuguese to many unsaved people they met in these homes. *(See the photo below of our young people being a witness on the street to other young people.)*

One of the guys on our team got a parasite from contaminated water, but we were able to get medications for him that took care of it after a 2 day hospital stay. Of course, he is fine now. But for a few days he was feeling very rough. Praise the Lord, veteran missionary, Bob Lankford, also traveled with us, and helped watch over our sick young man when we had to leave him behind to recuperate for a few days.

We had many great opportunities to spread the Gospel up and down the Amazon River and in the city of Manaus. We also, met many sweet Brazilian Christian brothers & sisters. We tried to be an encouragement to them, but they were definitely an encouragement to us. We were excited to meet a Brazilian Missionary Couple to Venezuela. This missionary pastor said he wants to use some of our ideas and plans to take a mission team of Christian Brazilian young people to Venezuela because of the example of our team. We praise the Lord for this.

## ***PRAYER REQUESTS & NEEDS:***

The US West team arrived on Thursday. Please pray for us as we still **need 2 more people on the team!** The dates are **June 16 through July 18th**. We also still **need 2 more people on the Canada team**, which is from **July 22nd until August 22nd**. We have a total of 6 VBS's to do this summer, and need these extra people on the teams so we can cover all the classes with leaders. We know the Lord is able to provide. Please pray with us about this need. Also, if you know of someone that would be willing to take a few weeks out of their summer to help, please let us know.

Coming on at this late day and raising funds to go, would be difficult for most young people, especially college students. So if you are interested in helping to **support a young person** to go on one of these teams, please let us know that as well.

Also, **pray for good health and safety for the teams**. And please **pray for souls to be saved and Christians to be encouraged** everywhere we go.

God Bless you,

*Bob & Joyce Landis
