Dear Family, Friends & Supporters,

Thanks so much to all who gave toward our coach fund. Each gift is greatly appreciated! As a result, we were able to repair damaged areas of the body of the coach and have a new paint job done to prevent further leaks and damage. And we originally hoped to have the inside reupholstered as well, but ran out of time. So we plan to take care of that very soon. Thanks for being a blessing!!

Also, we are so grateful for your prayers for us. The Lord answered in numerous ways.

Prayers for Protection were Answered

Traveling 72 mph on Route 80 to Green River, WY on June 30th we had a major blow out of our right front tire. Fortunately, no vehicles were in the right lane beside us, or the outcome could have been much different. Praise the Lord, He protected us and helped Bob get the coach off to the side of the road without hitting anything. The interesting thing was that we had just prepared lunch and Luke was praying out loud to thank God for the food and then was asking God to give us safety, when all of a sudden, KABOOM, the tire blew. He never did to say amen to that prayer, but God answered immediately!

We were able to get a service truck from Rock Springs to come to put on our spare tire. But of course, a few days later we had to buy a new tire to replace the spare. Then we had to buy a new front left tire to better match the new right tire and to prevent us from having other tire issues down the road. But Praise the Lord, He protected and helped us through the whole situation.

Prayers for Results were Answered

God is so good. There were ten that we know of that made professions of faith in Christ as Savior. We don't know the hearts of the people who prayed for salvation, but God does. And He promises everlasting life to all who believe and trust in Jesus Christ as the Son of God, who died to pay our sin debt on the cross and rose from the grave.

Our theme verse in VBS this year was John 5:24. *“Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life.”*

Summary of the US West Team

The 2021 US West Team ministered in ten different churches from June 19th until August 8th. We held four-day VBS Programs in five different churches. The team also ran youth rallies in four of the churches. And the team did an excellent job of acting out the story of Isobel Kuhn, missionary to China. It was a great blessing and encouragement. They also were able to get out into the communities to hand out literature and speak with people everywhere we went.

NEW TRACT in SPANISH

We are happy to let you know that our new tract, “The VIRUS that Changed our Lives Forever!” will soon be available in Spanish. We will keep you posted.

The English version can be ordered through “Moments With the Book” at the following address. <https://mwtb.org/pages/tracts>

What else did the Team do???

The team learned to play handchimes, give their testimonies, teach Bible lessons, sing together, do puppets, do a drama, tell others about Christ and much more!!

MTT PRAYER REQUESTS:

- Pray as we plan and recruit for the upcoming teams. We hope to take a team to Mexico at Christmas as well as summer teams to New Zealand and Canada.
- Pray that the Lord would open the doors once again for us to take teams around the world to share the Gospel.
- Also, pray for our health and safety as we travel this fall in the US recruiting.
- And pray that the young people who travel with us will catch a burden for the lost around the world and here at home.

Thanks so much for your prayers and support for this important outreach ministry.

God Bless each of you,
Bob & Joyce Landis
